0

A rectangular box representing an empty hash slot at index 0.

1

13

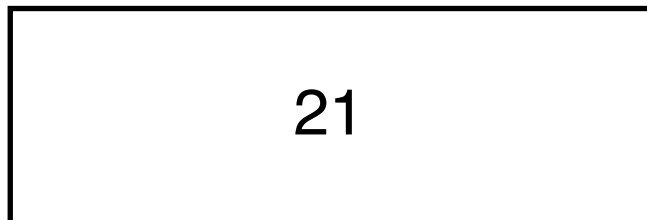

A rectangular box representing a hash slot at index 1 containing the value 13.

2

A rectangular box representing an empty hash slot at index 2.

3

21

A rectangular box representing a hash slot at index 3 containing the value 21.

4

A rectangular box representing an empty hash slot at index 4.

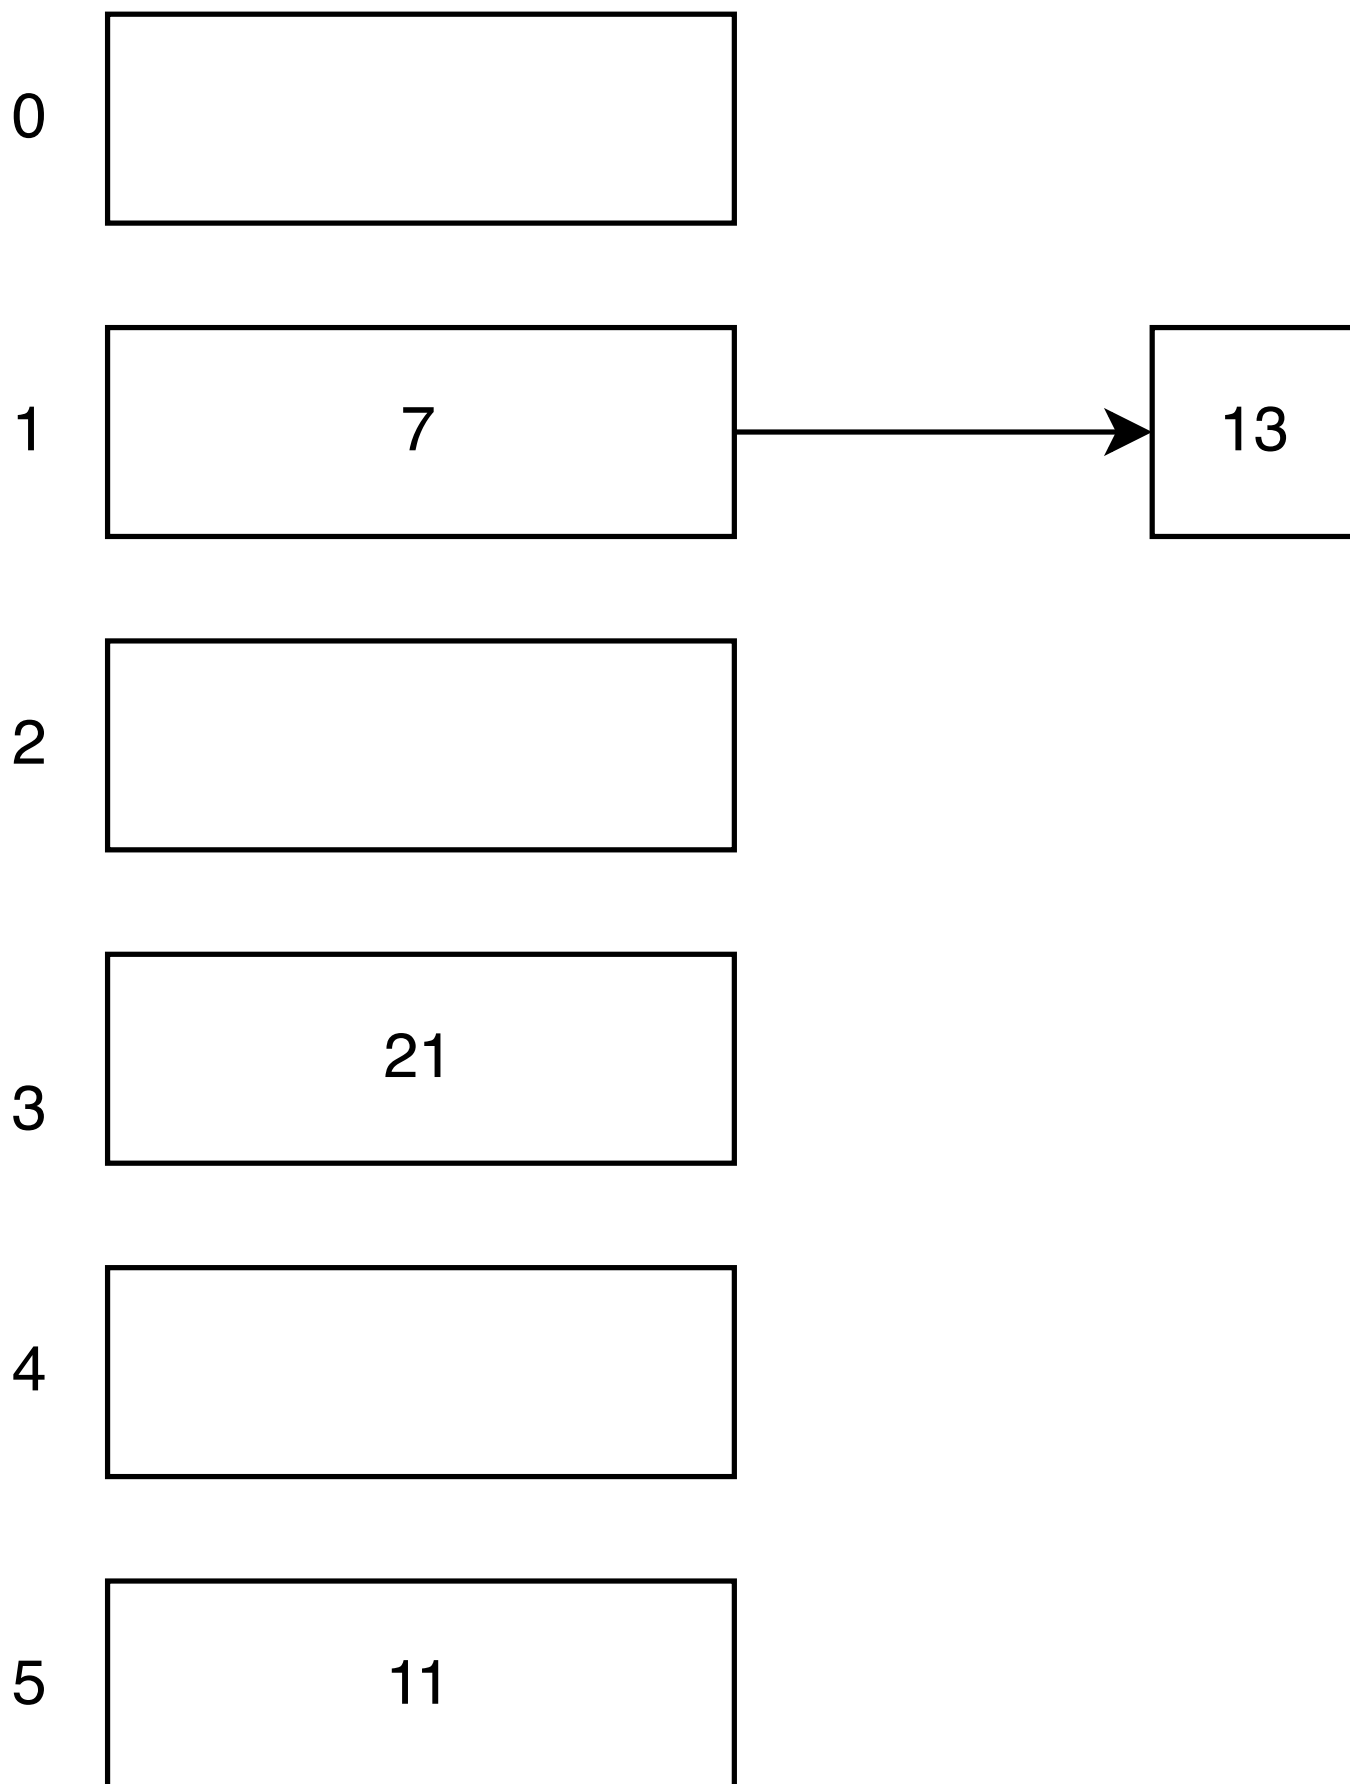

5

11

A rectangular box representing a hash slot at index 5 containing the value 11.
